Dear Mr. Person:

I am applying for the open editor position in your company.

I have taken Tri-Techs' Digital Arts and Filmmaking class, which has given me knowledge of how to use Adobe Premiere Pro, Final Cut Pro, and even After Effects. I have numerate amounts of experience collaborating with classmates in group video projects, and I've edited most of the group projects I've been a part of. I've always turned in work early, or on time, and have consistently showed up early to class.

I'm excited to talk to you about the details, and qualifications and to grow my editing quality with the experience from this opportunity.

Sincerely,

Malachi Weis
